

REMARKS

By way of the present Amendment, Applicants are submitting changes to claim 36 to correct clerical errors which were introduced inadvertently. Claims 36, 38-41, 43 and 44 are currently being prosecuted. The Examiner is respectfully requested to reconsider her rejections in view of the amendments and remarks as set forth below.

By way of the present Amendment, Applicants have amended line 10 of claim 36 to refer to "the color layer" in the singular in order to correctly agree with its antecedent basis. The first two words in the last paragraph have been changed to "wherein." The phrase "an end" has been changed to "in a" in the last two lines. These changes have been made in order to correct obvious errors and do not present any new issues. Accordingly, entry of this Amendment and full consideration is respectfully requested.
